## “Making Libraries more Multilingual: a Bottom-Up Approach to Public Engagement”

Online event on **9 October** 2020, 5pm (GMT+1) as part of  
**#LibrariesWeek**

celebrating the nation’s much-loved libraries and their vital  
role in the UK’s book culture

This event is open to librarians all over the world!

We will share a **multilingual & visual toolkit** with steps to be  
followed and adapted to make world libraries more multilingual
